PSHE Chunks	Well-Being	Heritage Human Rights	Safeguarding	Futures	n/a	n/a
PSHCE Theme Links	Who Am I and Who Am I Becoming?	Citizenship and British Values	Money sense Careers	Tbc	Relationships and Significant World Figures	Tbc

Horizons project:

This year our curriculum will largely be delivered using IPADs. It is vital that they are fully charged to 100% every night. If you wish to find out any more information about the curriculum and Horizons, please see the link on our school website: <https://www.oasisacademyaspinal.org/about-us/oasis-horizons>

School Information

Absence: Oasis Academy Aspinal's attendance target is 96.2 %. Just 3 days off over the year brings your child's attendance below the school's attendance target. Please call school by 9.00am if your child is ill and unable to attend – 0161 223 0053

School Meals: Under the governments Universal Free School Meals Funding all children in Year 1 are entitled to a free school meal. If you decide to change to packed lunches there is no longer a requirement to give us notice.

Packed Lunches: Please help us to maintain our Healthy School status by providing nutritious packed lunches. Sweets, chocolate bars and fizzy drinks are not permitted. Try to include at least one piece of fruit or vegetable and avoid fried, salty snacks such as crisps.

Holidays: Parents are requested NOT to take holidays during term time. Holidays during term time will be classed as unauthorised absences and will incur a fine.

Clothing: Pupils should wear their Oasis Academy uniform including black trousers or skirt, blue polo shirt and navy blue jumper or cardigan. They must wear suitable black footwear every day and items of jewellery are not allowed for health and safety reasons.

Water: We ask that every child brings a bottle of fresh drinking water every day as hydration is important and helps concentration. Fizzy or flavoured drinks are NOT permitted as they can contain additives and sugars that are harmful to dental health.

Birthdays: Children are permitted to give out individual, wrapped sweets at the end of the day. We will not allow children to eat them in school and they will be asked to check permission with an adult before eating them.

Class Champions: Across the school we have put in place a reward system for positive behaviour around school and in class. The children earn points for good behaviour on class dojo for following the school rules- parents may now access this to see their own child's behaviour each week. In assembly on Friday the child with the most points becomes the Class Champion and will be awarded with a certificate and will earn certain privileges such as sitting at a top table for lunch.

Medical: If your child requires medicine this must be obtained via prescription from a doctor in order for the school to administer- it must be clearly labelled with your child's name and dosage. All inhalers must be kept in the classroom, any other medicine must go to the main office.

Class Information

Physical Education: Children need a white T-shirt and black shorts for Dance/Gymnastics. They will also need jogging bottoms and trainers for Outdoor Games. (Leggings are not permitted for gym) Children's PE kit should be named, in a clearly labelled bag, and kept on their peg from Monday to Friday. Our PE days are Mondays and Wednesdays but this may vary throughout the year with additional PE sessions.

Reading: Regular reading, ideally a few minutes every day is vital in order for your child's reading development. At this young age, little and often is definitely the best approach. We ask that you record in your child's reading record book when you have heard them read. Reading records will be checked frequently throughout the week and books will only be changed if we can see comments recorded. The children will also be bringing home key words to practise and learn. These will be words that cannot be sounded out and the children need to practise these so they can recognise and read them by sight.

Homework: Once the children have settled homework will be given on a Friday and it will be expected in the following Thursday. All homework will be handed out electronically and completed by the children on their iPad.

Please do not hesitate to ask if you have any further questions. We hope your child enjoys Year 1 and we look forward to an enjoyable and successful year!

Yours sincerely

Mrs Cragg, Mrs McDonald and Miss Stringer
The Year 1 Team 😊
