

Wednesday 26th September 2018

Dear Parents/Carers

Welcome back, I hope you have had a lovely Summer break.

We have had a fantastic start to the year! Children have come back eager to learn, looking smart and ready to start the year of positivity. I am impressed with their attitude to learning and the work they are producing already is fantastic.

Any issues or concerns this academic year, please speak to your child's class teacher first. They are available first thing in the morning and end of the school day. If you are unable to speak to the class teacher then, please ring the school office to arrange for them to contact you.

If a different adult is collecting your child at any time, please can you let the office know by 12.30pm so a message can be sent to the teacher. We can only allow children home with adults if they are on our system as a contact for your child. It is also important that we have 2 current and contactable details on our system. If you change telephone number, address or GP, please let the office staff know, and we can update our records.

To make it easier for children with siblings, **all classes will now receive homework on a Friday to be returned on the following Wednesday.** We will also be holding parent workshops once a half term like last year these will be held on different days for EYFS, KS1 and KS2 to make it easier for parents with children in different classes to attend. These will be held around a different area of the curriculum to help you assist your child's learning at home. The first workshop will be held in Family Learning Week. More information will be sent closer to time.

We have also updated our school website (www.oasisaspinal.org). All the school's policies are available on there, and any news and events will be put added regularly. Each class has their own page where you can access your child's class timetable and class pack. We also have a new virtual office tab; any letters that are sent out will also be uploaded to the website. We also have a school Twitter account should you wish to follow us the account is @oasisaspinal.

Our school attendance target is 96.5% it is important your child be in school every day and on time so they do not miss any learning. School begins at 8.50am, so it is important you be on the playground for at least 8.45am. School finishes at 3.15pm, so please be prompt in collecting your child. I am sure you will continue to support school with this.

I look forward to seeing you in the playground each morning and I am sure we will have another fantastic school year.

And finally, it's pupils individual photographs this Friday 28th, if you have **pre-school children** you are welcome to bring them in from 8.30am if you want them to be on the photograph with their siblings.

Thank you for your continued support.

Yours Sincerely

Samantha Ryan
