

Wednesday 22nd April Tasks

DAILY START	READING! We hope you have found lots of chances to read your school and home books with your adults and have also checked out the websites offering free access to books during this time. <u>Please make sure you read for 15 minutes with an adult this morning.</u> It would also be helpful to practise your 'tricky words' (look in your reading record or go on Phase 3/4/5 tricky words on Phonics Play) at some point today.
MATHS TASK Representing numbers to 50	Go to: https://www.bbc.co.uk/bitesize/articles/zb9pnrnd Follow the tasks and videos for representing numbers to 50. Remember how important ten and grouping in tens is. (Parents/carers we now use the term 'ones' rather than units). Print our or represent some of the numbers on the Pearson worksheet. You could use counters, chocolate buttons or drawings to represent the numbers. Can you represent other numbers in this way. Numbers beyond 50? What do you notice about numbers that end in 0?
PHONICS TASK	PHONICS - Go to Phonicsplay and practise Phase 4 and 5 phoneme flashcards We are continuing to look at alternative ways to represent the oa sound. Watch 'Mr Thorne does phonics' - https://www.youtube.com/watch?v=Q-90smlX7ws . <ol style="list-style-type: none">1) Read the words2) Find out the meaning of the word 'opaque'.3) Choose 6 of the words, write each of them out twice on card/pieces of paper and play a pairs game with your grown-up.
ENGLISH TASK Use paste tense verbs	Write sentences using the following past tense verbs: went sat played ate shouted Example: I ate a delicious chocolate cake. Don't forget capital letters and full stops.
PHYSICAL TASK Throw and catch a ball	Practise throwing and catching a ball. <ol style="list-style-type: none">1) Throw it up and down to yourself - how many time can you catch it in 30 seconds? 1 minute? (When it becomes easy, increase the height you are throwing it up or get a smaller ball.)

<p>with increasing confidence and control</p>	<p>2) Throw and catch with a member of your family. How many can you do in 30 seconds? 1 minute? (When it becomes easy, stand further apart and try again.)</p> <p>If you are indoors, could you use a balloon or a soft ball? If you are outside remember to stay safe and keep your distance from people who do not live in your home.</p>
	<p>STORYTIME! - check out today's video. 😊</p>
